Recently while on a fishing trip with a friend, I learned a valuable spiritual principle. As he and I were preparing for the trip we made sure we had everything we needed for a successful outing. Poles, lures, bait, motor charged up, we were ready. I carefully checked over the boat to make sure I had everything and we set out. We put the boat in the water and talked excitedly about all the fish we were going to catch. As we got out into the water the wind was blowing just enough that my boat was being moved around. As I went to get the anchor, I realized I had forgotten it. My mind raced as I remembered getting it out but left it at the house. For the rest of the morning we struggled against the wind. The boat being blown this way and that. Annoyed, I finally said, "let's go!" As we left I kept thinking how could have I forgotten the anchor? Forgetting it ruined the trip. The writer of Hebrews, writing to encourage believers of the hope we have in Christ says, "We have this hope (Jesus) as an anchor for the soul, firm and secure" (Heb. 6:19, NIV). Most people spend their lives making sure they have everything they need to be successful. They take careful consideration to make sure they have all they need in their life. Then, without warning, the winds of life begin to blow. Almost out of nowhere, gusts come when we least expect them. We search frantically for something to stabilize us only to realize we have nothing. Our lives are tossed here and there and we are powerless to fight it. We become annoyed and frustrated and sadly, many give up. What the writer of Hebrews assures us is that we do have an anchor, an anchor that is sure and steadfast and will hold. Just like in nature we can't predict when the wind comes, but we can be ready when it does. As we face the changing winds of this world, let us praise God we do have hope and His name is Jesus! He is the only One that can calm the stormy waters of my life and steady my soul when I am feeling tossed around. As the old hymn says, "My hope is built on nothing less, than Jesus Christ, my righteousness." May God bless you and remember I love you all!

Pastor Chris

**After having just celebrated Easter and the miracle of the resurrection, we should be more ready than ever to share with the world about the love God poured out on us in the work of the cross!**

**Hopefully everyone is still allowing our weekend at Camp Willow Run and the theme of "Live like the King!" to permeate and saturate your decision-making, as we strive to live more and more as a follower of Christ. That was a great weekend, and builds momentum for a great summer schedule! A big thank you to each of the students who gave up chunks of their Spring break recently to help some of our SBC family by working in their yards each day. We picked up a googleplex (it's a real number, look it up.) of pine cones, and raked up mountains and mountains of leaves and pine straw, but it was well worth it and much appreciated. We saved our usual fun day during the break for later, so be looking for a paintball outing again soon. We'll have your graduates ready to walk here in the next few weeks, be in prayer for them as they're setting out to write some new pages in their story. We'll have a chance to honor them on Sunday, June 2nd.**

**As we gear up for yet another incredible summer, expecting great things and looking forward to what God will do in and through us, you can start by sharing with our neighbors here in Hamlet, your classmates, family and friends, and plan to take the love of Christ with us to Morganton, NC by getting your payments in for World Changers. It's not too early to be planning your summer around July 14th-20th, so don't delay, reserve your spot now. Your youth leaders love each of you, see you soon. Drew**
