Lights On

A word from The Associate Pastor

It's not even Summer yet, and yet it sure feels like it. It's been summer-hot since awhile ago, and we're just rolling into our schedule for the season. By now you've finished up your semester of school (or if you're a parent reading this, you're just trying to get your students out of bed before lunchtime), and you're thinking of what the next couple of months holds for you. Well let us tell you...

As promised, we have waited now until it's unbearably hot to go and play paintball, so when you go, you'll have an aquarium inside your facemask from all the sweat, but it'll be a good time. We will go Saturday, June 22nd to Paintball Kingdom in Marshville. Cost is \$35, plus bring money for lunch while we're gone. Your \$35 is due by Wednesday, June 9 if you can with us. As for World Changers, hopefully you've determined you're going, reserved your spot by paying your deposit, and cleared your calendar (reminder: that means ask off from work for some of you!). We'll be heading to Morganton, NC July 14-20 for an outstanding week of service, and we're determined to end our streak of bus issues this year so come make history with us! :)

It will be a great summer, if YOU are part of it with us. See you soon!

Rev. Drew Stables

A word from The Sunday School Director...

Last Saturday I was working out in my yard trying to cut back some overgrown bushes. While working, I remembered planting those bushes some 24 years ago when I built my house. Before planting those bushes I remember putting in the irrigation system to water those young plants. The old saying is true, if you water it they will grow.

As I worked in the heat of that day, the Holy Spirit reminded me that is true in my spiritual walk with God. We must drink every day from His word in order to grow like those bushes I just cut back. God's word helps us grow, develop, bud and flower to be what He wants us to be. We will never grow more like Him if we don't drink from the water of life.

One of the ways we can grow in our walk with God is to attend Sunday school class here at Second Baptist Church every Sunday morning at 9:45. We have teachers who are teaching each Sunday that help us to grow in our walk with God. I look forward to seeing you on Sunday morning for Sunday school. Come where the planting and the growing is free for the taking.

You will be surprised how much God's word will change your life and the amount of growing that will take place in your life.

Allen Jordan
 Sunday School Director

Lifting up Jesus, Loving People!
